Dear Principal,

Invitation to join “Brighter Smiles for the New Generation 2011-12” Oral Care Activity

You are cordially invited to join the “Brighter Smiles for the New Generation 2011-12”. This territory-wide home-school collaboration oral care activity for all kindergarten and nurseries has been carried out for a decade. Over half a million of the kindergarten children have developed good oral care habits that bring life-long benefits to their oral health. In order to sustain the developed habits of the children, the duration of the programme activity is **12 weeks** this year, details as follows,

Objectives

1. children brush their teeth with children’s toothpaste in the morning and before bed at night every day
2. children ask parents to perform supplementary toothbrushing for them every night
3. children have no more than one snack time in the morning and in the afternoon respectively every day so as to establish a Smart Diet Habit

Activity implementation

1. Schools should designate a **12-week period** (starting on Monday) between **31/10/2011 and 27/05/2012** to carry out the Brighter Smiles for the New Generation activities at home and at school.
2. Home activities: parents and children will watch the cartoon DVD “A Ride to the Heha Planet”, learn how to take care of their teeth and fill in the Toothbrushing and Smart Diet Record sheets.
3. School activities: during the activity period, teachers will check the Toothbrushing and Smart Diet Record sheets every week to assess the children’s performance, and award a stamp to the qualified students on the “Scoreboard” (Please post-up in the classroom). Upon the completion of the **12-week** activities, teachers should **submit the result online** at once and award the qualified students with relevant Certificates and Gifts according to the award criteria in the Teacher Manual.
