

Let's join the “World Oral Health Day” Card Giving Activity

FDI World Dental Federation declares the 20th of March of every year as “World Oral Health Day” (“WOHD”), in order to raise the oral health awareness in the community. The theme of this year's WOHD is "Happy Mouth is ...a happy mind. Spreads happiness everywhere."

In this connection, the Oral Health Promotion Division (OHPD) of the Department of Health will conduct a special card giving activity on the “WOHD”, details are as follows:

Date: 1 to 20 March 2025

Activity Details:

- Make a greeting card for “WOHD” activity and give it to classmate, friend or relative in person or through social media
- Take some photos as activity highlights
- Send us a maximum of 10 photos through the “message” of the Brighter Smiles for the New Generation (BSNG) Facebook page (BSNG.KG.HK)
- No personal information should be shown on the photo(s)
- Submit the total no. of participant(s)
- After verification, photos will be uploaded to the “BSNG” Facebook page. Photos may also be distributed through other channels to promote oral health education

“Like”, “Share” and “Subscribe” our Social Media
